

Village of Peninsula Office of Fiscal Officer

July 10, 2018

Village of Peninsula Wastewater Service District Property Owner:

Please be advised that Village Council has directed the Administration to suspend enforcement of the Sewer Fee Ordinance until legislation formally suspending enforcement of the Ordinance can be adopted pursuant to Council's required procedures. As a result, if you have not paid your recent sewer bill, please refrain from paying the bill. If you have already paid your bill, you will be entitled to a refund once Council Resolution 24-2018 is formally adopted. If you would like to request a refund of any sewer fees paid to date, please contact the Village's Administrative Assistant, Marty Kuboff, at 330-657-2151 or admin@villageorpeninsula-oh.gov to indicate that you want your fees refunded. If a refund request is made, your refund check will be processed within 30 days of the date Resolution 24-2018 is adopted by Council.
