Date October 18, 2018

Village of Peninsula Wastewater Service District Property Owners:

Village Council recently adopted Resolution 24-2018, which suspends the Village Wastewater Service District Sewer Fee that was enacted in December of 2017 and first billed in March of 2018. Resolution 24-2018 directs the Village Fiscal Officer to issue a refund of sewer fees paid to those property owners who request a refund from the Village.

If you want a refund of fees you paid, please contact the Village's Administrative Clerk, Marty Kuboff, by phone or email at 330.657.2151 or [admin@villageofpeninsula-oh.gov](mailto:admin@villageofpeninsula-oh.gov) to request that refund. Refunds will be processed and mailed within thirty days of the date the refund request was received by the Village.

If you do not request a refund of the fees you paid, those fees will remain in the Village's Sewer Revenue Fund for future use.

Very Truly Yours,
