Mayor's Report: Douglas Mayer

Mr. Mayer reported that six applications were received for the Police Chief position; three persons were called for interview. He also spoke to Council regarding the JEDD drafts received from Boston Township, he stated that the revisions had included three categories related to the income tax splits and noted several properties now included (Boy Scout Camp, Ski Lodge, County Yard, and Park properties).

Mr. Mayer introduced a Vehicle Use Policy to be instituted. The Policy included a vehicle log for each of the department vehicles. Mr. Schall noted that he agreed with several items within the policy but had concern with the log. He asked if the destination/purpose would include all occurrences of use. He stated that he disagreed with mileage logged for around town use. He thought that the daily log for all instances of driving seemed excessive. Mr. Mayer stated that the Village employees would try the new log for one month, if it seemed excessive, then the policy could be re-reviewed at that time. Council further discussed the policy.

It was agreed by members to log any activity outside of the Village borders. Daily in and out activities within the Village do not necessarily need to be logged.

Fiscal Officer's Report: John Stiegel

Mr. Stiegel presented the March 11, 2013 Village of Peninsula Council meeting minutes for consideration.

Council President's Report: Douglas Anderson

Nothing reported.

Street Liaison: Brian Schall

Mr. Schall reported that the new truck had lost power on Akron Peninsula Road and Route 303. He also noted that the bigger tractor will need to have repairs totaling about \$1,250.

Mr. Schall acknowledged the financial conditions of the Village and recommended that Council consider a decision to change Mr. Ausperk's hours, employee of the Service Department, from full time to part time. He explained: "The Police Department is hurting financially; it is not in good working order. Skip is a great worker, he does more than what we need him to; financially we could go a little longer; but, things could get hard in the next few years." Ms. Holody asked for comments regarding the budget for 2013 in relation to full time employees. She also asked whether or not repairs for the tractor were within the realm of the current budget. Mr. Stiegel responded.

Bill Dent, a resident since 1957, spoke to Council regarding Mr. Ausperk. He stated: I think we should keep Skip. I have worked with Skip over the years. I have always found him to be on time and good; and you can count on him. Those kind of people are hard to find. By making him part time you are going to lose him. If you have a guy doing his job; and the money is set aside; and the park people creating more trash; you need him as a full time employee." Ms. Holody commented on Mr.

Ausperk's mechanical abilities.

Mr. Schall then explained: "this is a difficult decision but the decision needs to be made." Council discussed Mr. Ausperk's work habits related to the work that he has performed. Mr. Schneider voiced his concerns with salting of the roads. Mr. Robinson was addressed as Mr. Ausperk's supervisor regarding the salt. Mr. Robinson stated that he, on more than one occasion "has been overridden" when it comes to Mr. Ausperk's hours in relation to the salting of the roads. Mr. Robinson communicated his knowledge of the procedure for notification and expressed to Council that he has had trouble getting a hold of the persons involved.

Mr. Mayer stated; he was unaware of the truck that had been towed until this meeting.

Mrs. Schneider communicated to Council that the road where she resides was not being salted in front of her residence. She stated "that out of retaliation. Skip, who we were supposedly picking on, because we stated how he was improperly out of the Village, with the Village Truck did not salt properly. He stopped salting at one neighbors and starts after the other. I called the Mayor first, who said that he's been talked to about that. When my mom called he got back to my mom the next day He said, at the last meeting he was only told to salt the hills and intersections." Mr. Mayer responded: "that discussion was not at the last meeting, it was said by Roger the next day." Mr. Mayer also stated that the roads within the Village were all salted by 7:00 am. the next morning. Mrs. Schneider also said: "a half of truckload of salt was dumped by Skip in front of her brother's driveway." Members discussed what was meant by the inference of a half of a truckload. A discussion ensued regarding the amount of time needed to load a salt truck.

Ms. Holody distributed to members the breakdown of overtime hours for the Service Department for the last three years. Mr. Schneider explained that the numbers for 2012 would be skewed because they did not include his hours. Members reviewed and discussed the numbers: 2009 overtime hours were 146; 2010 overtime hours were 133.5; 2011 overtime hours were 49; 2012 were 75 but stating that was an anomaly; this year, 2013 thus far 74 hours. Members discussed overtime costs for the Service Department noting that overtime cost for Skip Ausperk is at \$18.00 per hour and Roger Robinson at \$31.65. Council then conveyed to all present that insurance is offered to all employees of the Village; noting again that all full time employees are eligible for health insurance benefits.

Ms. Holody agreed that there are concerns with the financials but Mr. Ausperk had been budgeted for the year 2013 as full time. Mr. Mayer expressed: that in his opinion, the issue is not the financials and "not the ice, not the snow, the truck, it's Skip. I think that Skip has done a wonderful job, he does what he is told to do. I guess what everybody's issue is here is that I am telling Skip what to do, not Roger. He is called in when the Police Department calls him, not any other time." A discussion developed regarding lunch breaks.

A motion was made by Mr. Schall, seconded by Mr. Schneider to **change the status of employee Skip Ausperk from full time to part time**. Votes were as follows: Brian Schall, aye; Charles Moyer, nay; Douglas Anderson, aye; Dee Holody, nay; Dan Schneider, aye.
