VILLAGE OF PENINSULA, OHIO
RESOLUTION: 3-2016
INTRODUCED BY: Mike Matusz
DATE PASSED: April 11 2016

A RESOLUTION ADOPTING THE EXPECTED SIGN LIFE METHOD AS THE METHOD TO BE USED FOR MAINTAINING THE MINIMUM RETROREFLECTIVITY OF STREET SIGNS WITHIN THE VILLAGE OF PENINSULA, OHIO

WHEREAS, Section 4511.09, Ohio Revised Code, requires The Department of Transportation to adopt a manual for a uniform system of traffic control devices, hereinafter referred to as the OMUTCD and,

Whereas, Section 4511.11, Ohio Revised Code, requires local authorities in their respective jurisdictions to conform to the OMUTCD and

Whereas, Section 2A.08(2), OMUTCD, requires local authorities to use a management method designed to maintain street sign retroreflectivity at or above the minimum level outlined in the OMUTCD and,

Whereas, Section 2A.08(4), OMUTD, lists multiple methods as options for local authorities to use as their method and,

Whereas, The Village of Peninsula has determined that the Expected Sign Life Method (Section 2A.08(C), OMUTCD) is the best method available for its management of maintaining street sign minimum retroreflectivity.

NOW, THERFORE, BE IT RESOLVED by the Council of the Village of Peninsula, Summit County, Ohio as follows:

Section 1. That the council for the Village of Peninsula, Ohio hereby adopts the Expected Sign Life Method, as outlined in Section 2A.08, OUMTCD, as its method for maintaining street sign minimum retroreflectivity.

Section 2. That the Council hereby finds and determines that all formal actions relative to the adoption of this Resolution were taken in an open meeting of this Council and that all deliberations of the Council which resulted in formal action were taken in meetings open to the public, in full compliance with the applicable legal requirements including Section 121.22 of the Ohio Revised Code.

Section 3. That this resolution shall take effect and be in force from and after the earliest period allowed by law.

Section 4, This resolution shall take effect on the 11 day of April, 2016

Effective Date: April 11 2016

4511.09 Manual for uniform system of traffic control devices.

The department of transportation shall adopt a manual for a uniform system of traffic control devices, including signs denoting names of streets and highways, for use upon any street, highway, bikeway, or private road open to public travel within this state. Such uniform system shall correlate with, and so far as possible conform to, the system approved by the federal highway administration.

Amended by 129th General AssemblyFile No.70, HB 349, §1, eff. 4/20/2012.

Effective Date: 09-28-1973

4511.11 Local conformity to manual for uniform system of traffic control devices.

(A) Local authorities in their respective jurisdictions shall place and maintain traffic control devices in accordance with the department of transportation manual for a uniform system of traffic control devices, adopted under section 4511.09 of the Revised Code, upon highways under their jurisdiction as are necessary to indicate and to carry out sections 4511.01 to 4511.76 and 4511.99 of the Revised Code, local traffic ordinances, or to regulate, warn, or guide traffic.

(B) The director of transportation may require to be removed any traffic control device that does not conform to the manual for a uniform system of traffic control devices on the extensions of the state highway system within municipal corporations.

(C) No village shall place or maintain any traffic control signal upon an extension of the state highway system within the village without first obtaining the permission of the director. The director may revoke the permission and may require to be removed any traffic control signal that has been erected without the director's permission on an extension of a state highway within a village, or that, if erected under a permit granted by the director, does not conform to the state manual, or that is not operated in accordance with the terms of the permit.

(D) All traffic control devices erected on any street, highway, alley, bikeway, or private road open to public travel shall conform to the state manual.

(E) No person, firm, or corporation shall sell or offer for sale to local authorities any traffic control device that does not conform to the state manual, except by permission of the director.

(F) No local authority shall purchase or manufacture any traffic control device that does not conform to the state manual, except by permission of the director.

(G) Whoever violates division (E) of this section is guilty of a misdemeanor of the third degree.

Amended by 129th General Assembly File No.70, HB 349, §1, eff. 4/20/2012.

Effective Date: 01-01-2004
