

VILLAGE OF PENINSULA, OHIO
ORDINANCE NO.: 25-2018
INTRODUCED BY: Chris Weigand
DATE PASSED: September 10, 2018

**AN ORDINANCE AMENDING CHAPTER 941 OF THE CODIFIED ORDINANCES
RELATING TO THE USE OF PUBLIC WAYS BY SERVICE PROVIDERS**

WHEREAS, in 2017, due to increasing demands being made on streets and rights of way to accommodate facilities of telecommunications and other service providers, the Village adopted Chapter 941 of its Codified Ordinances titled Use of Public Ways by Service Providers; and

WHEREAS, since the Village's adoption of Chapter 941, the Ohio Legislature adopted Sub. H.B. 478, which amended Chapter 4939 of the Ohio Revised Code, which provides that municipalities permit wireless service providers, cable providers, video service providers, and their designated agents to construct, maintain, modify, operate, or replace small cell facilities and support structures therefor in the public right-of-ways; and

WHEREAS, Council desires to amend Chapter 941 to make it conform to the requirements and protections contained in the amendments to Chapter 4939 of the Ohio Revised Code; promote the health, safety, and welfare of the Village's residents and visitors; and protect Village property values and the aesthetic appearance of the Village.

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Peninsula, Summit County, Ohio, to wit:

SECTION 1. Council hereby and herein amends Chapter 941 of the Streets, Utilities, and Public Services Code as is indicated in the attachment hereto.

SECTION 2. All formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council, and all deliberations of this Council or any of its committees that resulted in such formal action were taken in meetings open to the public and/or in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION 3. This Ordinance shall take effect and be in force as of the earliest date permitted by law.

SECTION 4. Effective Date. This Ordinance shall take effect on the 10 day of September, 2018.

ORDINANCE 25-2018
PAGE TWO

IN WITNESS WHEREOF, we have hereunto set our hands this 10 day
of September, 2018.

Passed:

Douglas G. Mayer, Mayor

Attest:

John D. Stiegel, Fiscal Officer

Approved as to Legal Form.

Bradric T. Bryan, Solicitor

I, John D. Stiegel, Fiscal Officer of the Village of Peninsula, Summit County, Ohio, do hereby certify that the foregoing Ordinance was duly passed by the Council of the Village of Peninsula, at a meeting held on the 10 day of September, 2018.

John D. Stiegel, Fiscal Officer

Posting Certificate

I, John D. Stiegel, Fiscal Officer of the Village of Peninsula, Summit County, Ohio, hereby certify that there is no newspaper published in the Municipality, and publication of the foregoing Ordinance was made by posting true and accurate copies thereof at five of the most public places in the Village as previously determined by Council, each for a period of at least fifteen days, commencing on the 17 day of September, 2018, as follows:

1. Terry Lumber & Supply;
2. Valley Fire District;
3. Peninsula Library & Historical Society;
4. Peninsula Village Hall Lobby; and
5. Peninsula Post Office.

John D. Stiegel, Fiscal Officer

CHAPTER 941
Use of Public Ways by Service Providers

941.01	Scope of Chapter; Definitions.	941.05	Notice of Work, Routine Maintenance, and Emergency Work.
941.02	Consent to Occupy or Use the Public Right-of-Way.	941.06	Miscellaneous Provisions.
941.03	General Public Right-of-Way Use Regulations.	941.99	Penalties and Other Remedies.
941.04	Location, Relocation, and Removal of Micro-Wireless Facility <u>Small Cell Facility and Wireless Support Structure.</u>		

941.01 SCOPE OF CHAPTER; DEFINITIONS.

- (a) The purpose and intent of this Chapter is to:
- (1) Manage Occupancy or use of the Public Right-of-Way.
 - (2) Encourage the provision of advanced, competitive, telecommunications services on the widest possible basis to the businesses, institutions, and residents of the Village;
 - (3) Permit and manage reasonable access to the Public Right-of-Way of the Village for telecommunications service purposes on a competitively neutral basis.
 - (4) Conserve the limited physical capacity of the Public Right-of-Way held in trust by the Village for the benefit of the public.
 - (5) Assure that the Village receives cost recovery for the Occupancy and use of the Public Right-of-Way in accordance with law.
 - (6) Assure that all Service Providers with Facilities in the Public Right-of-Way comply with the ordinances, rules, and regulations of the Village.
 - (7) Assure that the Village fairly and responsibly protects the public health, safety, and welfare.
 - (8) Enable the Village to discharge its public trust consistent with rapidly evolving federal and State regulatory policies, industry competition, and technological development.
 - (9) Provide standards for the construction, installation, modification, operation, and removal of Small Cell Facilities and Wireless Support Structures in the Village's Right-of-Way.
 - (10) Preserve the character of the Village, including the Village's Historic District, and protect property values.
 - (11) Give guidance to wireless telecommunications providers to assist such companies in the timely, efficient, safe, and aesthetically-pleasing installation of Small Cell Facilities and Wireless Support Structures.

(b) For the purposes of this Chapter, and the interpretation and enforcement thereof, the following words and phrases shall have the following meanings, unless the context of the sentence in which they are used shall indicate otherwise:

- (1) Accessory Equipment means any equipment used in conjunction with a Wireless Facility or Wireless Support Structure. "Accessory Equipment" includes utility or transmission equipment, power storage, generation, or control equipment, cables, wiring, and equipment cabinets.
- (2) Affiliate means a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with another Person.
- (3) Antenna(e) means a system of electrical conductors that transmit or receive electromagnetic waves or radio frequency signals. Such waves shall include, but not be limited to, radio, television, cellular, paging, personal telecommunications service, internet, and microwave telecommunications.
- (4) Capital Improvement means an addition made to enhance the value or extend the useful life of an existing System or Facilities, including Construction, Reconstruction, installation, rehabilitation, renovation, improvement, enlargement, and extension of Facilities, but not including ordinary or Routine Maintenance.
- ~~(5) Village means the Village of Peninsula, Ohio~~
- ~~(6) Village Property means and includes all real property owned by the Village, other than Public Streets and public easements, and all property held in a proprietary capacity of the Village, which are not subject to Public Right-of-Way consent and requirements of this Chapter.~~
- ~~(5) Collocation or Collocate means to install, mount, maintain, modify, operate, or replace a Wireless Facility on a Wireless Support Structure.~~
- ~~(6) (7) Construct, Constructing, Construction, etc. means installing, repairing, replacing, or removing any Facility, regardless of the methods employed.~~
- (7) Decorative Pole means a pole, arch, or structure other than a street light pole placed in the public right of way specifically designed and placed for aesthetic purposes and on which no appurtenances or attachments have been placed except for any of the following:
 - (A) Electric lighting;
 - (B) Specially designed informational or directional signage; or
 - (C) Temporary holiday or special event attachments.
- (8) Distributed Antenna System means a network or facility to which all of the following apply:
 - (A) It distributes radio frequency signals to provide Wireless Service.
 - (B) It meets the height and size characteristics of a Small Cell Facility.
 - (C) It consists of all of the following:
 - (i) Remote antenna nodes deployed throughout a desired

- coverage area;
 - (ii) A high-capacity signal transport medium connected to a central hub site; and
 - (iii) Equipment located at the hub site to process or control the radio frequency signals through the antennas.
- (D) It conforms to the size limitations specified in Section 941.01(b)(26) of this Chapter.
- (9) Emergency means an unforeseen occurrence or condition calling for immediate action. Eligible Facilities or Eligible Support Structure Request means any request for modification of an existing support structure or base station that does not substantially change the physical dimension of such support structure involving Collocation of new Small Cell Facilities or Wireless Support Structures, removal of Small Cell Facilities or Wireless Support Structures, or replacement of Small Cell Facilities or Wireless Support Structures. A substantial change means:
- (A) A modification that changes the physical dimension of a Wireless Support Structure by increasing the height of the Wireless Support Structure by more than ten percent (10%) or more than ten feet, whichever is greater, and/or by adding an appurtenance to the body of the Wireless Support Structure that would protrude from the edge of the Wireless Support Structure by more than six (6) feet;
 - (B) The installation of more than the standard number of equipment cabinets for the technology involved or the installation of more than four (4) cabinets, whichever is less;
 - (C) The installation of any new ground-mounted equipment cabinets if there are no existing ground-mounted equipment cabinets;
 - (D) Any excavation or deployment outside of the current site of the Facility;
 - (E) Removal of any concealment elements of the Facility or the Wireless Support Structure; or
 - (F) Any change that does not comply with this Chapter or with state or federal law or regulations.
- (10) Engineer means the Engineer of the Village or Engineer's designee.
- (11) Excavate, Excavating, or Excavation means cutting, sawing, breaking, drilling into, boring under, or otherwise altering any Public Street or sidewalk pavement, and/or digging, drilling into, or boring under any unpaved portion of the Public Right-of-Way, including any other work or activity which disturbs the existing surface or subsurface structure, composition, or soil compaction, for the purpose of carrying on any Construction activity.
- (12) Facilities or Facility means the plant, equipment, and property, including, but not limited to, Accessory Equipment, Antennae, cables, fibers, wires, pipes, conduits, ducts, pedestals, electronics, poles, mains, plant,

equipment, and other appurtenances located under, on, or above the surface of the ground in the Public Right-of-Way of the Village for a ~~m~~Micro Wireless Facility.

- (13) Lane Obstruction means the blocking or diverting of vehicular and/or pedestrian traffic from a street or sidewalk for the purpose of Constructing, Excavating, installing, repairing, maintaining, operating, replacing, or removing any Facility, including: the lifting or removing of manhole or handhold covers; and the opening or accessing of at-grade or pole-mounted cabinets, pedestals, transformers, power supplies, amplifiers, splice enclosures, traps, or other Facilities.
- (14) Micro Wireless Facility ~~includes both a Distributed Antenna System and a Small Cell Facility, and the related Wireless Facilities~~ means a Small Cell Facility that is not more than twenty-four inches in length, fifteen inches in width, and twelve inches in height and that does not have an exterior antenna more than eleven inches in length suspended on cable strung between Wireless Support Structures.
- (15) Monopole means a support structure constructed of a single, self-supporting hollow metal tube securely anchored to a foundation.
- (16) Occupancy, Occupy, or Use means, with respect to the Public Right-of-Way, to place a tangible thing in the Public Right-of-Way for any purpose, including, but not limited to, constructing, repairing, positioning, maintaining, or operating lines, poles, pipes, conduits, ducts, equipment, or other structures, appurtenances, or Facilities.
- (17) Overhead Facilities means utility poles and wires, cables, and other such equipment running between and on such poles, including the underground supports and foundations for such Facilities.
- (18) Person means and includes corporations, companies, associations, joint stock companies or associations, firms, partnerships, limited liability companies, trusts, public utilities, any other entity, and individuals and includes their lessors, trustees, and receivers, but specifically excludes the Village itself.
- (19) Private Service Provider means any Person who, pursuant to the consent to Occupy or Use the Public Right-of-Way pursuant to Section 941.02 of this Chapter, directly or indirectly owns, controls, operates, or manages a Micro Wireless Facility within the Village's Public Right-of-Way used or to be used for the purpose of transmitting, receiving, distributing, or providing telecommunications or Wireless Services.
- (20) Public Right-of-Way means the surface of, and the space within, through, on, across, above, or below, any Public Street, public road, public highway, public freeway, public lane, public path, public alley, public court, public sidewalk, public boulevard, public parkway, public drive, and any other land dedicated or otherwise designated for a comparable public use, which is owned or controlled by the Village or other public entity or political subdivision.

- (21) Public Street means the paved and unpaved portion of any street, road, boulevard, drive, highway, freeway, parkway, lane, court, alley, or other Public Right-of-Way in which the Village has an interest in law or equity and which has been acquired, established, dedicated, or devoted to street purposes.
- (22) PUCO or Public Utilities Commission of Ohio means the State Administrative agency, or successor, authorized to regulate and oversee certain Public or Private Service providers and Services in the State of Ohio.
- (23) Reconstruct, Reconstruction, etc. means substantial physical change to all or a portion of an existing Facility or System involving Construction in Public Streets, utility easements, or Public Right-of-Ways.
- (24) Routine Maintenance means repair, upkeep, replacement, or restoration of existing Facilities located in the Public Right-of-Way that requires no more than one (1) working day to complete, is not an Emergency, and does not include Excavation of the Public Right-of Way.
- (25) Service Provider means any Private Service Provider.
- (26) Small Cell Facility means a Wireless Facility that meets both of the following requirements of Sections 941.01(b)(26)(A)(1) and 941.01(b)(26)(A)(2) of this Chapter:
- (A) (1) Each Antenna is located inside an enclosure of not more than six cubic feet in volume or, in the case of an Antenna that has exposed elements, the Antenna and all of its exposed elements could fit within an enclosure of not more than six cubic feet in volume.
- (2) All other Wireless Equipment associated with the Facility is cumulatively not more than twenty-eight cubic feet in volume. The calculation of equipment volume shall not include electric meters, concealment elements, telecommunications demarcation boxes, grounding equipment, power transfer switches, cut-off switches, and vertical cable runs for the connection of power and other services.
- ~~(B) If the Wireless Facility were placed on a Wireless Support Structure or Utility Pole, the increased height would be not more than ten feet or the overall resulting height would be not more than fifty (50) feet.~~
- (27) State means the State of Ohio.
- (28) Village means the Village of Peninsula, Ohio
- (29) Village Property means and includes all real property owned by the Village, other than Public Streets and public easements, and all property held in a proprietary capacity of the Village, which are not subject to Public Right-of-Way consent and requirements of this Chapter.
- (29) Utility Pole means a structure that is designed for, or used for the purpose of, carrying lines, cables, or wires for electric or telecommunications services.

(30) Wireless Facility means an ~~Antenna, Accessory Equipment, or other wireless device or equipment used to provide Wireless Service equipment at a fixed location that enables wireless communications between user equipment and a communications network, including all of the following:~~

(A) Equipment associated with wireless communications;

(B) Radio transceivers, antennas, coaxial or fiber-optic cable, regular and backup power supplies, and comparable equipment, regardless of technological configuration.

(31) Wireless Service means any services using licensed or unlicensed wireless spectrum, whether at a fixed location or mobile, provided using wireless facilities.

(32) Wireless Service Provider means a person who provides wireless service as defined in section (a)(19) of this section of the Village's Codified Ordinances.

(33) Wireless Support Structure means a pole, such as a monopole, either guyed or self-supporting, street light pole, traffic signal pole, sign pole, a fifteen-foot or taller sign pole, or Utility Pole capable of supporting Wireless Facilities a Small Cell Facility. As used in this chapter, Wireless Support Structure excludes all of the following:

(A) A utility pole or other facility owned or operated by a municipal electric utility; or

(B) A utility pole or other facility used to supply traction power to public transit systems, including railways, trams, streetcars, and trolleybuses.

941.02 CONSENT TO OCCUPY OR USE THE PUBLIC RIGHT-OF-WAY.

(a) Consent Required to Occupy Public Right-of-Way. No Person shall ~~Occupy or use a Micro-Wireless Facility~~ Collocate a Small Cell Facility or construct, maintain, modify, operate, or replace a Wireless Support Structure in the Public Right-of-Way without obtaining prior consent from the Village to do so.

(b) Initial Consent Presumed.

(1) A person with a ~~Micro-Wireless~~ Small Cell Facility on a Wireless Support Structure in the Public Right-of-Way on the effective date of this Chapter, who lawfully occupies the Public Right-of-Way on the effective date of this Chapter, shall be presumed to have initial consent of the Village for its existing ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure to Occupy or use the Public Right-of-Way which has been previously approved by the Village.

(2) Initial presumed consent for Occupancy or use of the Public Right-of-Way is limited to the existing ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure.

(3) A Person with initial presumed consent is not relieved from compliance with this Chapter with respect to the ongoing Occupancy or Use of the

Public Right-of-Way including, but not limited to, the Insurance and Indemnity requirements set forth in Sections 941.02(e) and (f) of this Chapter.

(c) Application for Consent to Occupy or Use Public Right-of-Way.

(1) The following Persons shall apply to the Village for consent to Occupy or use the Public Right-of-Way in accordance with the requirements of this Chapter, Ohio Revised Code Chapter 4939, and all applicable state and federal law and regulations on a form provided by the Village.

Any Person who:

(A) Does not currently have an existing ~~Micro-Wireless Facility~~ Small Cell Facility on a Wireless Support Structure in the Village's Public Right-of-Way and desires to Construct a new ~~Micro-Wireless Facility~~ Small Cell Facility on a Wireless Support Structure in the Public Right-of-Way; or

(B) Has initial presumed consent or Village Consent to Occupy or Use the Public Right-of-Way for an existing ~~Micro-Wireless Facility~~ Small Cell Facility on a Wireless Support Structure but is planning:

(i) a Capital Improvement or Reconstruction of an existing ~~Micro-Wireless Facility~~ Small Cell Facility on a Wireless Support Structure; or

(ii) to Construct an additional ~~Micro-Wireless Facility~~ Small Cell Facility on a Wireless Support Structure anywhere in the Village.

(2) Applicants are strongly encouraged to contact the Zoning Officer to request a pre-application conference. That conference will provide an opportunity for early coordination regarding proposed Facilities, locations, design, application submittal, and the approval process in order to avoid any potential delays in the processing and approval of applications. The application for Consent to Occupy or Use the Public Right-of-Way shall include the following information with respect to the applicant's or Service Provider's planned or existing ~~Micro-Wireless Facility~~ Small Cell Facility on a Wireless Support Structure in the Public Right-of-Way, as well as plans for any planned Capital Improvements or Reconstruction:

(A) The identity, legal status, and federal tax identification number of the applicant, including all Affiliates of the applicant or Service Provider in the State of Ohio that will Use or Occupy the Public Right-of-Way or are in any way responsible for the ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure in the Public Right-of-Way.

(B) The name, address, and telephone number of the local officer, Agent, or employee responsible for the accuracy of the application or initial registration and available at all reasonable times to be notified in case of emergency.

- (C) A description of the existing or proposed ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure in the Village's Public Right-of-Way, including but not limited to, engineering plans, specifications, or a map, all in sufficient detail to identify:
- (i) The location of the applicant's ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure or proposed ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure.
 - (ii) The location of all existing Overhead and/or underground Facilities, Facility, Small Cell Facilities, or ~~Micro-Wireless Facility~~ Wireless Support Structures in the Public Right-of-Way in the area of the applicant's or Service Provider's ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure or proposed ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure that is sufficient to show the impact of the applicant's ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure on other existing Facilities, Facility, or ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure.
 - (iii) The location of all overhead and underground utility easements.
 - (iv) Soil Issues A (a soil boring with associated testing shall be obtained in the area of any new proposed tower or pole to determine the soil bearing capacity of the soil in order to design the depth of the tower or pole foundation).
- (D) A preliminary Construction schedule and completion date for all planned Capital Improvements.
- (E) Evidence that the applicant or Service Provider has complied, or will comply, with indemnification and insurance requirements of this Chapter.
- (F) Information sufficient to determine that the applicant or Service Provider has received any certificate of authority required by the PUCO.
- (G) A description of the construction methods to be employed for the protection of existing structures, fixtures, and Facilities in or adjacent to the Public Right-of-Way.
- (H) A description of the structures, improvements, and obstructions, if any, the applicant proposes to temporarily or permanently remove or relocate.
- (I) A description of the impact of Construction, Reconstruction, installation, maintenance, or repair of a ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure on trees in or adjacent to the Public Right-of-Way, together with a landscape plan for protecting, trimming, removing, replacing, and restoring any trees or areas disturbed during Construction.

- (J) All applications shall be accompanied by the certification of a State of Ohio registered professional engineer that the drawings, plans, and specifications submitted with the application comply with the applicable technical codes, rules, and regulations.
 - (K) All applications which involve a Lane Obstruction or work on, in, under, across, or along any Right-of-Way shall be accompanied by a traffic control plan demonstrating the protective measures and devices that will be employed, consistent with the Ohio Department of Transportation's Uniform Manual of Traffic Control Devices and other applicable ODOT regulations, to prevent injury or damage to Persons or property and to minimize disruptions to efficient pedestrian and vehicular traffic. The Village may require the Service Provider to use and employ the Village Police Department for Traffic Control.
 - (L) Such other and further information as may reasonably be requested by the Village.
- (3) The Village, by and through its Planning Commission, shall grant or deny, in writing, a Person's application for consent to Occupy or Use the Public Right-of-Way within ~~sixty~~ ninety (90) days of the date on which the Person filed the application and all necessary information with the Village.
- (A) The Village may withhold, deny, or delay its consent to a Person's application to Occupy or Use the Public Right-of-Way based on the health, safety, and welfare of the Village and in accordance with Village Ordinances and Ohio law. These reasons may include, but not be limited to, those criteria set forth in Section 941.02(d) of this Chapter.
 - (B) If the Village denies a Person's application to Occupy or Use the Public Right-of-Way, the Village shall provide its reasons in writing for denying the application and shall provide any information that the Person may reasonably request necessary for the Person to obtain the Village's consent to Occupy or Use the Public Right-of-Way.
- (4) The Village's grant of consent for a Person to Occupy or Use the Public Right-of-Way shall be in the form of a Right-of-Way Occupancy Certificate which shall set forth the specific terms of the Village's consent for such Person to Occupy or Use the Public Right-of-Way.
- (5) Application Fee; Attachment Fee. Each Person submitting an application for Consent to Occupy or Use the Public Right-of-Way shall pay a fee in the amount of Two Hundred Fifty Dollars (\$250.00) per site and assessed by the Zoning Officer to reimburse the Village for its administrative costs. The fee shall be adjusted upward by ten percent (10%) every five (5) years, rounded to the nearest five dollars (\$5.00), beginning in 2023. An application shall not be deemed complete until the fee is paid. In addition to the application fee, an annual fee shall be

paid the Village for each Small Cell Facility attached to a municipally-owned Wireless Support Structure in the amount of Two Hundred Dollars (\$200.00). The attachment fee is adjusted upward by ten percent (10%) every five years, rounded to the nearest five dollars (\$5.00), beginning in 2013. The first year attachment fee shall be paid when the collocation is complete, and attachment fees for subsequent years shall be paid no later than January 1 of each year thereafter. The first year attachment fee shall not be prorated, regardless of the date that the collocation is completed.

(6) Pursuant to Ohio Revised Code Section 4939.0312, a Person seeking to Construct, modify, Collocate, or replace more than one (1) Small Cell Facility or one (1) Wireless Support Structure may file a consolidated application for consent to occupy or use the Public Right-of-Way for up to fifteen (15) Small Cell Facilities in a single application or up to fifteen (15) Wireless Support Structure requests in a single application. Said single application may only address multiple Small Cell Facilities or multiple Wireless Support Structures if they each involve substantially the same type of Small Cell Facilities or substantially the same type of Wireless Support Structures. Small Cell Facilities shall be considered substantially the same type of Facility when the Small Cell equipment is identical in type, size, appearance, and function. Wireless Support Structures shall be considered substantially similar when the Wireless Support Structures are identical in type, size, appearance, and function and are to be located in a similar location. Applications for Small Cell Facilities and Wireless Support Structures cannot be comingled. The Village may, at its discretion, separately address applications for Small Cell Facilities or Wireless Support Structures that are not substantially similar, for which incomplete information has been received, or which are denied. In the case of a single application, each Small Cell Facility or Wireless Support Structure proposed to be Constructed, modified, Collocated on, or replaced shall constitute a separate request for Consent to Occupy or use the Public Right-of-Way for purposes of tolling the response deadline set forth in this Chapter.

(6)(7) The time periods set forth herein may be tolled:

(A) By mutual agreement between the Person requesting consent and the Village; or

(B) Where the Village determines that the application is incomplete; or

(C) By the Village in the event it receives applications for at least fifteen (15) Small Cell Facilities or Wireless Support Structures contained in pending requests, in which case the Village may toll the ninety day period for up to twenty-one days.

(7)(8) To toll the time period for incompleteness, the Village shall provide written notice to the Person requesting consent not later than thirty (30) days after receiving the request, clearly and specifically

delineating all missing documents or information.

~~(8)~~(9) The time period ~~begins~~ resumes running again when the Person makes a supplemental submission in response to the Village's notice of incompleteness.

~~(9)~~(10) If a supplemental submission is inadequate, the Village shall notify the Person not later than ten (10) days after receiving the supplemental submission that the supplemental submission did not provide the information identified in the original notice delineating missing documents or information. The time period may be tolled in the case of second or subsequent notices under the procedures identified in divisions ~~(6)~~(7)(A) to (C) of this Section.

(d) ~~Micro-Wireless Facility~~ Small Cell Facility in Public Right-of-Way. No Person shall occupy or use the Public Right-of-Way as a ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure without first obtaining the approval of the proposed improvements by the Planning Commission. The Person proposing the improvements shall deliver to the Planning Commission eight (8) sets of the plans and specifications including all necessary details, profiles, and cross-sections for each proposed improvement. The Planning Commission shall approve or disapprove of such proposed improvements based on the following standards:

- (1) Compliance with all Village codes and laws and other governmental laws where required;
- (2) The recommendation of all administrative departments in regard to the improvements.
- (3) The effect of the proposed improvements on the right-of-way and in relation to all other improvements already installed or approved;
- (4) The proposed location of the improvements in regard to such items as sight lines, drainage, safety, and visual interference;
- (5) The size, bulk, and location of the improvements in relation to obtaining proper light, air, privacy, usable open space, and compatibility with surrounding uses;
- (6) The proper screening or placement of the improvements to minimize the negative effects of the improvements of the right-of-way or adjoining uses; and
- (7) Compliance with the United States Department of Transportation Manual or Uniform Traffic Control Devices (MUTCD) and Ohio Department of Transportation Ohio Manual of Uniform Traffic Control Devices (OMUTCD).

(e) Service Provider Insurance. As a condition of the consent to Occupy or Use the Public Right-of-Way, a Service Provider must secure and maintain, at a minimum, the following liability insurance policies insuring both the Service provider and the Village as additional insured:

- (1) Comprehensive general liability insurance with limits not less than

- (A) ~~One Five Million Dollars (\$15,000,000.00) per occurrence, Two Million Dollars (\$2,000,000.00) annual aggregate,~~ for bodily injury or death to each Person;
 - (B) ~~One Five Million Dollars (\$15,000,000.00) per occurrence, Two Million Dollars (\$2,000,000.00) annual aggregate,~~ for property damage resulting from any one accident; and
 - (C) ~~One Five Million Dollars (\$15,000,000.00) per occurrence, Two Million Dollars (\$2,000,000.00) annual aggregate,~~ for all other types of liability.
- (2) The liability insurance policies required by this Section shall be maintained by the Service Provider throughout the period of time during which the Service Provider is Occupying or Using the Public Right-of-Way or is engaged in the removal of its Facilities. Each such insurance policy shall contain the following endorsement:
- “It is hereby understood and agreed that this policy may not be canceled nor the intention not to renew be stated until ninety (90) days after receipt by the Village of a written notice addressed to the Zoning Officer of such intent to cancel or not to renew.”
- (3) Within sixty (60) days after receipt by the Village of said notice, and in no event later than thirty (30) days prior to said cancellation, the Service Provider shall obtain and furnish to the Village replacement insurance policies meeting the requirements of this Section.
- (4) All insurance policies required herein shall be written with an insurance company authorized to do business in the State of Ohio in relation to the specific type of insurance required.
- (5) Upon written application to, and written approval by, the Village’s Fiscal Officer, a Service Provider may be self-insured to provide all of the same coverages as listed in this Section. As part of the review process, the Fiscal Officer may require, and the self-insurance applicant shall provide, any and all financial documents necessary to make a valid determination of the applicant’s ability to meet the needs of this Chapter.

(f) General Indemnification. Each Service Provider shall protect, defend, indemnify, and hold the Village and its elected and appointed officials, officers, employees, agents, representatives, and volunteers harmless from and against any and all claims, lawsuits, judgments, costs, damages, liens, losses, and expenses, including reasonable attorney fees and costs of suit or defense, arising out of, resulting from, or alleged to arise out of or result from the negligent, careless, or wrongful acts, omissions, failures to act, or misconduct of the Service Provider or its Affiliates, officers, employees, agents, contractors, or subcontractors in the design, Construction,

Reconstruction, installation, operation, maintenance, repair, or removal of its Small Cell Facility and Wireless Support Structure, and in providing and offering Services over the Small Cell Facility and Wireless Support Structure, whether such acts or omissions are authorized, allowed, or prohibited by this Chapter.

(g) Financial Surety.

(1) Each Service Provider owning or operating a Facility must procure and provide to the Village a bond, escrow, deposit, letter of credit, or other financial surety to ensure compliance with this Chapter and Ohio Revised Code Chapter 4939. The financial surety must also be in an amount sufficient to cover the cost of removal, as established by the Mayor, of all Facilities owned or operated by that Service Provider.

(2) The Village may, at its discretion, draw on the financial surety to remove abandoned Facilities, remove or repair damaged Facilities, or repair damage to any Village property caused by the owner or operator of the Facility, its agent, or the Facility itself. In such event, the owner or operator shall cause the financial surety to be replenished to its prior amount within ten (10) business days after the Village notifies the owner or operator that it has drawn on the financial surety.

941.03 GENERAL PUBLIC RIGHT-OF-WAY USE REGULATIONS.

(a) Public Right-of-Way Route. Consent granted to a Service Provider to Occupy or Use the Public Right-of-Way under Section 941.02 shall be limited to a grant to Occupy or Use the specific Public Right-of Way and defined portions thereof, including the specific ~~Micro-Wireless-Facility~~ Small Cell Facility and Wireless Support Structure and location along the Public Right-of-Way, as approved by the Village.

(b) Nonexclusive Consent to Occupy the Public Right-of-Way. No consent granted under Section 941.02 shall confer any exclusive right, privilege, license, or franchise to Occupy or Use the Public Right-of-Way of the Village, other than as specifically provided in said consent.

(c) Rights Permitted. No consent granted under Section 941.02 shall convey any right, title, or interest in the Public Right-of-Way, but shall be deemed a consent only to Occupy or Use the Public Right-of-Way for the limited purposes granted by the consent. Further, no consent shall be construed as any warranty of title.

(d) Height. ~~A Micro-Wireless-Facility may be attached to a Wireless Support Structure where the increased height would be not more than ten (10) feet or the overall resulting heights would be not more than fifty (50) feet~~ For a new Wireless Support Structure, the overall height of the Wireless Support Structure and any Collocated Antenna shall not be more than forty (40) feet in height above ground level.

(e) Maximum Size. ~~The Micro-Wireless-Facility~~ Small Cell Facility must conform to the size limitations as defined for a Small Cell Facility in Section 941.01(b)(26) of this Chapter.

(f) Color. The ~~Micro-Wireless Facilities~~ Small Cell Facility shall be a color or colors that are consistent with or most blends into the Wireless Support Structure on which they are installed, unless a different color is needed for public safety or service reliability reasons.

(g) Wiring and Cabling. Wires and cables connecting the ~~Micro-Wireless Facility~~ Small Cell Facility shall be installed in accordance with the version of the National Electrical Code adopted by the Village and in force at the time of installation. In no event shall wiring and cabling serving the ~~Micro-Wireless Facility~~ Small Cell Facility interfere with any wiring or cabling installed by a cable television or video service operator, electric utility, telephone utility, or other utility.

(h) Guy Wires Restricted. Guy wires and similar support structures may not be used as part of the installation of any ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure, unless the ~~Micro-Wireless Facility~~ Small Cell Facility is proposed to be attached to an existing Utility Pole that incorporated guy wires prior to the date of the request for consent.

(i) Grounding. The ~~Micro-Wireless Facility~~ Small Cell Facility, including any ground-mounted equipment, shall be grounded in accordance with the requirements of the most current edition of the National Electrical Code adopted by the Village regarding grounding of wireless facilities.

(j) Signage. Other than warning or notification signs required by federal law, or identification and location markings required by the Village, a ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure shall not have signs installed thereon.

(k) Maintenance of ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure. Each Service Provider shall maintain its ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure in good and safe condition and in a manner that complies with all applicable federal, State, and local requirements.

(l) Safety Procedures. A Service Provider or other Person acting on its behalf shall use suitable barricades, flags, flagmen, lights, flares, and other measures as necessary and in accordance with applicable State and local requirements for the safety of all members of the general public and to prevent injury or damage to any Person, vehicle, or property by reason of such work in or affecting such Public Right-of-Way or property.

(m) Interference with the Public Right-of-Ways. No Service Provider may locate or maintain its ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure so as to unreasonably interfere with the use of the Public Right-of-Way by the Village, by the general public, or by other Persons authorized to use or be present in or upon

the Public Right-of-Way. All such ~~Micro-Wireless-Facilities~~ Small Cell Facilities and Wireless Support Structures shall be moved by the Service Provider, temporarily or permanently, as determined by the Zoning Officer when necessary to protect the public, comply with the provisions of this Chapter, or otherwise comply with local, state, or federal laws. The expense or cost to move said ~~Micro-Wireless-Facility~~ Small Cell Facility and Wireless Support Structure shall be the responsibility of the Service Provider.

(n) Damage to Public and Private Property. No Service Provider nor any Person acting on the Service Provider's behalf shall take any action or permit any action to be done which may impair or damage any Village Property, Public Right-of-Way, or other public or private property located in, on, or adjacent thereto.

(o) Restoration of Public Right-of-Way, Other Ways, and Village Property.

(1) When a Service Provider, or any Person acting on its behalf, does any work in or affecting any Public Right-of-Way or Village Property, it shall, after the work is completed and at its own expense, promptly remove any obstructions therefrom and restore such ways or property, within ten (10) to thirty (30) days, at the Zoning Officer's discretion, to as good a condition as existed before the work was undertaken, unless otherwise directed by the Village.

(2) If weather or other conditions do not permit the complete restoration required by this Section, the Service Provider shall temporarily restore the affected ways or property as directed by the Zoning Officer. Such temporary restoration shall be at the Service Provider's sole expense and the Service Provider shall promptly undertake and complete the required permanent restoration when the weather or other conditions no longer prevent such permanent restoration.

(p) Damage to Service Provider's ~~Micro-Wireless-Facility~~ Small Cell Facility and Wireless Support Structure. Unless directly and proximately caused by the willful, intentional, or malicious acts of the Village, the Village shall not be liable for any damage to or loss of any ~~Micro-Wireless-Facility~~ Small Cell Facility and Wireless Support Structure in the Public Right-of-Way of the Village as a result of or in connection with, but not limited to, any public works, public improvements, Construction, Excavation, grading, filling, salting, snow removal, or work of any kind in the Public Right-of-Way by or on behalf of the Village.

(q) Duty to Provide Information. Within ten (10) days of a written request from the Village, each Service Provider shall furnish the Village with documentation sufficient to show that the Service Provider has complied with all requirements of this Chapter.

(r) Assignments or Transfers of Consent. Consent to Occupy or Use the Public Right-of-Way may be, directly or indirectly, transferred, assigned, or disposed of by sale, lease, merger, consolidation, or other act of the Service Provider, by operation of

law or otherwise, without consent of the Village, so long as:

- (1) The Village is notified of the proposed transfer on or before the date of transfer; and
- (2) The transferee shall fully comply with this Chapter within sixty (60) days of the transfer, including, but not limited to:
 - (A) All information required by the application for consent to Occupy or Use the Public Right-of-Way pursuant to Section 941.02 of this Chapter; and
 - (B) Any other information reasonably required by the Village.

(s) Revocation of Consent. Consent granted by the Village to Occupy or Use the Public Right-of-Way of the Village may be revoked for any one of the following reasons:

- (1) Construction, Reconstruction, installation, location, operation, or Excavation at an unauthorized location.
- (2) Construction, Reconstruction, installation, location, operation, or Excavation in violation of Village or State safety and/or Construction requirements.
- (3) Material misrepresentation or lack of candor by or on behalf of a Service Provider in any Permit application or registration required by the Village;
- (4) Abandonment of a ~~Micro-Wireless Facility~~ Small Cell Facility and/or Wireless Support Structure in the Public Right-of-Way.
- (5) Failure to relocate or remove a ~~Micro-Wireless Facility~~ Small Cell Facility and/or Wireless Support Structure or failure to restore the Public Right-of-Way, as required by this Chapter.
- (6) Insolvency or bankruptcy of the Service Provider.
- (7) The ~~Micro-Wireless Facility~~ Small Cell Facility and/or Wireless Support Structure is in a state of disrepair which creates a public nuisance.
- (8) Violation of material provisions of this Chapter.
- (9) Construction under the consent is not commenced within ~~one~~ two (~~1~~2) years of the consent approval date.

(t) Notice and Duty to Cure. In the event the Zoning Officer believes grounds exist for revocation of consent to Occupy or Use the Public Right-of-Way or Construction Permit, the Zoning Officer shall give the Service Provider written notice of the apparent violation or noncompliance, providing a short and concise statement of the nature and general facts of the violation or noncompliance, and providing the Service Provider a reasonable period of time not exceeding thirty (30) days to furnish evidence:

- (1) That corrective action has been, or is being actively and expeditiously pursued, to remedy the violation or noncompliance;
- (2) That rebuts the alleged violation or noncompliance; and/or
- (3) That it would be in the public interest to impose some penalty or sanction less than revocation.

(u) Reservation by Village for Future Uses. The Village may reserve space for future public safety or transportation uses in the Public Right-of-Way, or on a Wireless Support Structure or pole owned by the Village. Said reservation of space shall be set forth in a documented plan, subject to the approval of the Planning Commission. A reservation of space by the Village shall not preclude placement of a pole or Collocation of a Small Cell Facility by a Private Service Provider; provided, however, that said pole or Wireless Support Structure shall accommodate any future use reserved by the Village. In the event it is necessary to replace any Village pole or Wireless Support Structure to accommodate the Collocation of a Service Provider's Small Cell Facility, the Service Provider shall pay for the replacement of the Village pole or Wireless Support Structure.

(v) Alternate Location. The Village may propose an alternate location to the proposed location of a new Wireless Support Structure that is either within one hundred (100) feet of the location set forth in a Person's application for Consent to Occupy or use a Public Right-of-Way, or is within a distance that is equivalent to the width of the Public Right-of-Way that the new Wireless Support Structure is proposed to be located on; whichever is greater. Any applicant or Service Provider shall be required to use the alternate location proposed by the Village if the applicant or Service Provider has the right to use the alternate location on reasonable terms and conditions and the alternate location does not impose technical limits or additional costs.

(w) Time for Completion. Any Collocation or Construction of a new Wireless Support Structure shall be completed within one hundred eighty (180) days after the issuance of a Consent to Occupy or Use the Public Right-of-Way. The Village and Service Provider may extend this completion date by mutual agreement.

(x) Underground Placement. No Small Cell Facility or Wireless Support Structure shall be constructed in a Public Right-of-Way that is located in an area in which it was required, or will be required under the Village of Peninsula Codified Ordinances, to install any electric Facilities, telephone Facilities, or any other Facilities underground. This prohibition shall not apply to the replacement of a Wireless Support Structure or the Collocation of a Small Cell Facility on a Wireless Support Structure that exists in said designated area. A Service Provider may apply to the Planning Commission for a waiver of the underground placement requirement for the Construction of a new Wireless Support Structure if the Service Provider is unable to achieve its service objective under the following circumstances:

- (1) From a location in the Public Right-of-Way where the prohibition does not apply;
- (2) In a utility easement the Service Provider has the right to access; or
- (3) In or on other suitable locations or structures made available by the Village at reasonable rates, fees, and terms.

(y) Municipal Structures. A Service Provider may Collocate a Small Cell Facility on a Wireless Support Structure owned by the Village and which is located in the Public

Right-of-Way, provided that the Person complies with any applicable design guidelines and conditions for such Collocation adopted by the Village. The Village may condition approval of said Collocation on the replacement or modification of the Village's Wireless Support Structure, at the Service Provider's cost, if the Village determines that replacement or modification of the Village's Wireless Support Structure is necessary. The Village shall retain ownership of any Village Wireless Support Structure that is replaced. The Village shall annually charge the amount of Two Hundred Dollars (\$200.00) per each Small Cell Facility Collocated on a Wireless Support Structure owner by the Village and located in the Public Right-of-Way as provided in Section 941.02(c)(5).

941.04 LOCATION, RELOCATION, AND REMOVAL OF MICRO WIRELESS FACILITY ~~SMALL CELL FACILITY AND WIRELESS SUPPORT STRUCTURE~~

(a) Excess Capacity. To reduce Excavation and congestion in the Public Right-of-Way, it is the Village's goal to encourage Service Providers to share occupancy of utility poles, as well as to construct, whenever possible, excess available space on utility poles for occupancy of future ~~Micro Wireless Facilities~~ Small Cell Facilities in the Public Right-of-Way. The Service Provider may charge a reasonable market lease rate to other Providers for occupancy of the additional utility pole space as reimbursement.

(b) Relocation or Removal of Facilities. Within thirty (30) days following written notice from the Village, a Service Provider shall, at its own expense, temporarily or permanently remove, relocate, change, or alter the position of any ~~Micro Wireless Facility~~ Small Cell Facility and Wireless Support Structure in the Public Right-of-Way whenever the Village shall have determined that such removal, relocation, change, or alteration is reasonably necessary for:

- (1) The Construction, Reconstruction, repair, maintenance, or installation of any Village or other public improvement in or upon the Public Right-of-Way.
- (2) The operations of the Village or other governmental entity in or upon the Public Right-of-Way.

(c) Removal of Unauthorized ~~Micro Wireless Facility~~ Small Cell Facility and Wireless Support Structure. Within thirty (30) days following written notice from the Village, any Service Provider or other Person that owns, controls, or maintains any unauthorized ~~Micro Wireless Facility~~ Small Cell Facility, Wireless Support Structure, or related appurtenances in the Public Right-of-Way shall, at its own expense, remove the ~~Micro Wireless Facility~~ Small Cell Facility, Wireless Support Structure, or appurtenances from the Public Right-of-Way of the Village. After the thirty (30) days have expired, the Village may remove the ~~Micro Wireless Facility~~ Small Cell Facility, Wireless Support Structure, or appurtenances from the Public Right-of-Way at the other party's expense. A ~~Micro Wireless Facility~~ Small Cell Facility and Wireless Support Structure is unauthorized and subject to removal in the following circumstances:

- (1) Upon revocation of the Service Provider's consent to Occupy or Use the Public Right-of-Way;
- (2) Upon the abandonment of a ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure in the Public Right-of-Way of the Village;
- (3) If the ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure was Constructed, Reconstructed, installed, operated, located, or maintained without the consent to do so, except as otherwise provided by this Chapter;
- (4) If the ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure was Constructed, Reconstructed, installed, operated, located, or maintained, or any Excavation of a Public Right-of-Way was performed, without prior issuance of a required Construction Permit, except as otherwise provided by this Chapter;
- (5) If the ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure was Constructed, Reconstructed, installed, operated, located, or maintained, or any Excavation of a Public Right-of-Way was performed, at a location not permitted pursuant to the Village's consent to Occupy or Use the Public Right-of-Way or Construction Permit;

(d) Emergency Removal or Relocation of ~~Micro-Wireless Facility~~ Small Cell Facility and Wireless Support Structure. The Village retains the right and privilege to cut or move any Facilities, or stop work on any Construction, Reconstruction, installation, operation, or Excavation, located in the Public Right-of-Way of the Village, as the Village may determine to be necessary, appropriate, or useful in response to any need to protect the public health, safety, or welfare.

(e) Abandoned and Damaged Facilities.

(1) A Service Provider shall provide written notice to the Village of its intent to discontinue use of any Facilities. The notice shall include the date the use will be discontinued. If Facilities are not removed within 365 days from the date the use was discontinued, the Facilities shall be considered a nuisance and the Village may remove the Facilities at the expense of the Service Provider.

(2) In the event the Facilities are damaged, the Service Provider shall promptly repair the damaged Facilities. Damaged Facilities shall be repaired no later than thirty (30) days after obtaining written notice that the Facilities are damaged. If the damaged Facilities are not repaired within thirty (30) days, then the damaged Facilities shall be considered a nuisance and the Village may remove the Facilities at the expense of the Service Provider.

941.05 NOTICE OF WORK, ROUTINE MAINTENANCE, AND EMERGENCY WORK.

(a) Notice of Work. Except in case of Emergency, as provided in Section 941.05(c), or for Routine Maintenance as provided in Section 941.05(b), no Service Provider, or any Person acting on the Service Provider's behalf, shall commence any

work in the Public Right-of-Way of the Village without ~~twenty-four (24) hours~~ ten (10) calendar days advance notice to the Village and obtaining consent to Occupy or Use the Right-of-Way pursuant to Section 941.02, if required.

(b) Routine Maintenance and New Service Orders.

(1) A Service Provider need not obtain a Construction Permit or notify the Village prior to or after commencing any Routine Maintenance or New Service Orders that do not include the Construction in, or Excavation or Lane obstruction of, a Public Right-of-Way or closing of a Public Street.

(2) For Routine Maintenance and New Service Orders that require the Service Provider to cause a Lane Obstruction in a Public Street for more than two (2) hours, the Service Provider shall provide the Village with forty-eight (48) hours advance written notice prior to commencing the Routine Maintenance or New Service Order, and shall submit a drawing showing the planned traffic maintenance and indicating how the Service Provider shall meet all requirements of ODOT's Manual of Traffic Control Devices or other applicable governmental regulations.

(c) Emergency Work. In the event of the need for any unexpected repair or Emergency work, a Service Provider may commence such Emergency response work as required under the circumstances, provided that for Emergency work that requires Excavation of a Public Right-of-Way or Lane Obstruction or closing of a Public Street, the Service Provider shall notify the Village as promptly as possible before commencing such Emergency work, or as soon as possible thereafter if advance notice is not practicable. When notice is required, the Service Provider shall notify the Zoning Officer.

941.06 MISCELLANEOUS PROVISIONS.

(a) Other Village Ordinances. In the event that any provision of this Chapter conflicts with any other provision of the Village's Codified Ordinances or other ordinances or resolutions of the Village, the more restrictive provision shall govern.

(b) Preemption by State and Federal Laws. Except as may be preempted by applicable State or Federal law, rules, regulations, and orders, this Chapter shall apply and be controlling over each Service Provider engaged in the business of transmitting, supplying, or furnishing of Services originating, passing through, or terminating in the Village.

(c) Exemption for Village-Owned or Operated Facilities. Nothing in this Chapter shall be construed to apply the provisions of this Chapter to Facilities, Micro Wireless Facilities, or Private Facilities owned or operated by the Village or any of its operations.

(d) Severability. If any section, subsection, sentence, clause, phrase, or other

portion of this Chapter, or its application to any Person, is, for any reason, declared invalid, in whole or in part, by any court or agency of competent jurisdiction, said decision shall not affect the validity of the remaining portions hereof.

941.99 PENALTIES AND OTHER REMEDIES.

(a) Penalties. Any Person found guilty of violating, disobeying, omitting, neglecting, or refusing to comply with any or the provisions of this Chapter shall be guilty of a misdemeanor of the fourth (4th) degree. A separate and distinct Offense shall be deemed committed each day on which a violation occurs or continues.

(b) Civil Violations and Forfeiture.

- (i) In lieu of the criminal penalties set forth above, the Zoning Officer may make an initial finding of a civil violation by the Service Provider for violating, disobeying, omitting, neglecting or refusing to comply with any of the provisions of this Chapter.
- (ii) The Civil Forfeiture shall be in an amount payable to the Village of not less than \$100.00 nor more than \$500.00 for each offense. A separate and distinct offense shall be deemed committed each day on which a violation occurs or continues.
- (iii) An action for civil forfeiture shall be commenced by providing the Service Provider with written notice describing in reasonable detail the Service Provider's alleged violation of one or more provisions of this Chapter and the amount of the penalty that will be assessed against it.
- (iv) The Service Provider shall have fifteen (15) days subsequent to receipt of the notice of violation in which to correct the violation before the Village may assess penalties against the Service Provider. The time in which to cure the violation may be extended by the Village if, in the Village's sole discretion, it determines that additional time is required to correct the violation; provided that the Service Provider commences corrective action within seven (7) days of the notice of violation and proceeds with reasonable diligence.
- (v) The Service Provider may dispute the alleged violation by providing the Village with written notice within five (5) days of receipt of the notice of violation, setting forth in reasonable detail the reasons for its dispute. The Village shall set a date for hearing of the alleged violation before the Board of Zoning Appeals no sooner than thirty (30) days and not later than sixty (60) days from receipt of the notice of dispute.
- (vi) The Village shall issue a written decision on the Service Provider's alleged violation within thirty (30) days after the hearing, which decision shall be final and subject to the administrative appeal procedures under Ohio law. If the Village finds after hearing that the alleged violation(s) did occur, the penalty shall be assessed starting fifteen (15) days from the notice of violation and shall

continue until the violation has been corrected.

(c) Other Remedies. Nothing in this Chapter shall be construed as limiting any administrative or judicial remedies the Village may have, at law or in equity, for enforcement of this Chapter.
