COUNCIL MEMBERS:

Michael Matusz	PRESENT	Mayor Douglas Mayer	PRESENT
Richard Fisher, Jr.	ABSENT	Chris Weigand	PRESENT
Michael J. Kaplan	PRESENT	Daniel Schneider	PRESENT
Diane Holody	PRESENT		

OTHERS PRESENT: Solicitor Brad Bryan.

CITIZENS PARTICIPATION: United Methodist Church Trustees and representatives addressed Council, urging action on the extremely poor condition of the sidewalk in front of the Church. They reported many people in the congregation are elderly and the sidewalk poses a tripping hazard to the community as well as those who visit. They stated Ms. Holody raised the poor sidewalk conditions that exist around the United Methodist Church and other locations around the downtown at a prior Council meeting. Solicitor Bryan clarified that Codified Ordinance Section 521.06 states that owners of abutting land must keep sidewalks in repair and free from snow, ice, or any nuisance. Councilman Kaplan reiterated that law states the abutting property owner is responsible for the cost to install and maintain their sidewalk. Councilman Matusz suggested a few Councilmembers meet with the Church Trustees to discuss a solution. Ms. Holody and the Church Trustees stated they were in favor of that solution. Councilman Weigand suggested the entire Village be assessed to see where sidewalk improvements are needed and a unified way to address the issue going forward be adopted.

Dick Slocum of 1563 Mill St. stated there is a swastika carved into one of the sandstone sidewalk pieces on Rt. 303 adjacent to the Methodist Church. He asked that the Village replace it.

Councilman Schneider expressed kind words for the late Patricia J. Tesmer, who passed away last week. She was a highly thought of active member of the community who will be greatly missed.

COUNCIL PARTICIPATION: None.

MAYOR'S REPORT: The Mayor reported the Village Fiscal Officer resigned in October, and he would like to appoint Trevor Elkins to the position of Village Fiscal Officer. Mr. Elkins' pay rate will be \$23.00 per hour and his hours shall not exceed 20 hours per week. Mr. Elkins was interviewed by himself, Councilpersons Kaplan and Holody, and Mr. Bryan. LEGISLATION:

Third Reading:

Resolution No. 11-2019

Requested by Councilperson Kaplan

A Resolution Authorizing the Adoption of Rules of Council

This Resolution was read by title by Mr. Bryan. Mr. Bryan reported he amended the Ordinance as requested by Council. The Ordinance now states that the Rules would cease to be in effect after December 31, 2020 unless affirmative action is taken by Council to extend the Rules.

Ms. Holody stated she takes issue with the final paragraph of Rule 7 which prohibits Councilmembers from being able to immediately respond to concerns raised in the Citizens Participation portion of the meeting. Ms. Holody commented when the public takes the time to attend a meeting and raise a question or concern, she believes Councilmembers should be able to answer the question if they would like. Mr. Kaplan responded by stating he believes engaging the citizens during that portion of the meeting more often delays Council and sidetracks it from proceeding with its agenda.

Based upon the above discussion, a motion was made by Mr. Kaplan to change the word "response" to the word "debate" in proposed Rule 7. The motion was seconded by Mr. Weigand.
