PRESENTATION AND CONSIDERATION OF RECORD OF PROCEEDINGS

June 10, 2025 Special Council Meeting Minutes

Mr. Slocum made a motion that was seconded by Councilperson Schneider to approve the Minutes. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The Minutes were approved.

June 10, 2025 Regular Council Meeting Minutes

Mr. Slocum made a motion that was seconded by Councilperson Schneider to approve the Minutes. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The Minutes were approved.

CITIZEN PARTICIPATION:

Mo Riggins apologized for going over her time at last month's meeting. She also pointed out potential conflict of interests for Councilpersons Haramis and Najeway regarding short-term rentals. She noted she received the Village's response to her public records request and found discrepancies with respect to parking spaces between the 2024 and 2025 applications. She asked that all future approvals adhere strictly to Village regulations, including more specific parking advertisements, or else properties should limit guests or convert their properties to long-term rentals. She urged that police enforcement action be a last resort, not the first response.

Jodi Padrutt reported on repeated power outages and surges on Stine Road. She stated a lineman told her tree limbs rubbing on wires were likely to blame. The Mayor noted, under state law, the utility service is responsible for clearing vegetation off its lines. He agreed to contact the power company to complain about the problem and ask it to trim the trees near the lines.

Amy Frank-Hensley asked about emergency alert notifications. Ms. Iaconis and Mr. Bryan stated other communities utilize emergency text notification services to people who sign up to get them. Mayor Schneider noted that because the tornado siren is no longer functioning, some sort of notification would be helpful.

REPORTS

Mayor Schneider: The Mayor requested a motion to cancel the August 12, 2025 Regular Council Meeting. Council decided to vote on that matter at the end of the meeting to make sure

**Record of Proceedings
Regular Village of Peninsula Council**

Held: Tuesday, July 8, 2025

there were no pressing items that needed to be handled next month. The Mayor also reported the Village email handles will be changed soon to match the website domain name.

Fiscal Officer, Ms. Iaconis: Ms. Iaconis stated she had no updates. She noted that the tax budget legislation is on this evening's agenda.

Street Commissioner, Mr. Anderson: The Mayor announced Mr. Anderson had nothing to report.

Finance Liaison, Mr. Slocum

Acknowledgement of Receipt of Financial Reports

Mr. Slocum made a motion that was seconded by Councilperson Schneider to acknowledge receipt of the financial reports. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The motion was approved.

Ratification of Submitted Bills List

Mr. Slocum made a motion that was seconded by Councilperson Schneider to ratify the submitted bills list. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The motion was approved.

Mr. Slocum asked when the online financial report will be updated. Ms. Iaconis stated it will go to Faith tomorrow to be uploaded to the website.

Police Department Liaison, Councilperson Schneider: Councilperson Schneider announced there was nothing to report. In response to a question, the Mayor advised there was no update from Mr. Elkins regarding when the speed monitoring signs and data devices would be set up.

Roads and Public Works Liaison, Mr. Haramis: Mr. Haramis announced there was nothing to report, and the roads are mostly in good shape.

Planning Commission Representative, Mr. Steidl: The Mayor and Mr. Bryan reported that the Planning Commission discussed possible zoning changes and potential improvements to the Village owned lot on N. Locust for public parking. The Commission is also reviewing Chapters 1 through 4 of the Area Master Plan.

Zoning Officer, Mr. Collins: The Mayor announced Mr. Collins had nothing to report.

Board of Zoning Appeals, Mayor Schneider:

Board Vacancy

The Mayor announced there is still a vacancy on the Board. Mr. Slocum asked if the lighting problem between neighbors on Stine Road is still an issue. The Mayor stated he needs to follow up on that matter.

Buildings and Grounds Liaison, Mr. Steidl: Mr. Steidl was not present. The Mayor stated there should be nothing new to report.

**Record of Proceedings
Regular Village of Peninsula Council**

Held: Tuesday, July 8, 2025

Chamber of Commerce & Economic Development Liaison, Mr. Rosales: Mr. Rosales reported the Chamber meeting was cancelled.

Community Events Liaison, Mr. Najeway: Mr. Najeway reported the next Peninsula Live event will be this Friday, July 11 from 6:00 to 9:00 p.m. Around 1,000 people attended last month. He is hoping for good weather on Friday.

Policies & Procedures Liaison, Mr. Slocum: Mr. Slocum shared he will be reviewing the employee manual and confirmed the Village is working toward consolidating its email accounts into the Microsoft environment. He recommends individual microphones for each speaker in the Council Chambers and that sound-deadening treatments be added to reduce the echo. The Mayor reported the Village is looking into installing a higher quality audio recording system.

Fire Board, Mr. Slocum: Mr. Slocum reported there were 84 calls in June, and the year-to-date total reached 445 as of July 4 (up from 353 at the same point last year), putting the Department on pace for 900 calls in 2025 versus 711 in 2024. The Department provided emergency medical training to the Peninsula Reserve Police officers. All engines are now back in service after repairs were made, which is fortunate because the Boston Heights tanker that had been covering for the out of service vehicles is now out due to overheated brakes after a response in Richfield.

Cemetery Board, Councilperson Schneider: Councilperson Schneider reported there is a Board Meeting on Thursday.

JEDD Board, Councilperson Schneider: Councilperson Schneider stated there is nothing to report.

Wastewater/Stormwater/Water Liaison, Mr. Najeway: The Mayor reported the Ohio EPA held a public hearing on the Wastewater Project discharge permit. Another meeting will be scheduled in the future relating to the treatment facility. Ms. Dorton stated future EPA meeting dates will be emailed out and will be posted on the website. Mr. Slocum stated he would circulate the EPA “interested parties” signup link to Council and Planning Commission Members. Mr. Bryan reported OHM advised him the prospects for receiving a roughly \$2 million ODOT grant and a \$1.6 million Ohio Public Works Commission grant for the Rt. 303 corridor improvements look promising. The County has also requested 5 million dollars of federal earmarked funds for the Wastewater Project from Representative Sykes and the Ohio Senators in the upcoming federal budget in place of the 3-million-dollar earmark award for the Project that was clawed back by Congress earlier in the spring.

Area Master Plan, Mr. Slocum and Mr. Steidl: The Mayor confirmed there is no update other than what’s already been discussed in the meeting already regarding the Rt. 303 corridor grant funding applications.

Solicitor, Mr. Bryan: Mr. Bryan stated he had nothing to report.

Resolution No. 12-2025 Version 2

Requested by: Mayor Schneider

A Resolution Directing the Summit County Board of Elections to Place a 3 Mill, 5-Year, Road Tax Renewal Levy on the November 4, 2025 General Election Ballot

Councilperson Schneider made a motion that was seconded by Mr. Slocum to suspend the three-reading rule. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The motion was approved. Mr. Slocum made a motion that was seconded by Mr. Najeway to adopt the Resolution. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The Resolution was adopted.

Resolution No. 14-2025

Requested by: Fiscal Officer Iaconis

A Resolution Adopting the Tax Budget of the Village of Peninsula for the Fiscal Year Beginning January 1, 2026 and Submitting the Same to the County Fiscal Officer

Mr. Najeway made a motion that was seconded by Councilperson Schneider to suspend the three-reading rule. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The motion was approved. Mr. Najeway made a motion that was seconded by Mr. Rosales to adopt the Resolution. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The Resolution was adopted.

UNFINISHED BUSINESS/NEW BUSINESS:

The Mayor reported that Ms. Dorton had a meeting that was thought to be about parking ticket payments systems, but it turned out to be for a new parking enforcement system. Ms. Dorton explained the existing methods to pay for parking tickets include mailing a check; paying in person by cash, check, or credit card; or paying with a credit card via a link emailed upon request. Mr. Slocum explained there are two components to the payment issue: what forms of payment are available to the user of the application to pay for parking on the app such as ApplePay or Google Pay, and the other being the mechanism that PayByPhone uses to transfer payments to the Village.

Mr. Najeway reported he is trying to set up a time to visit the General Die Casters property. Mr. Slocum stated that Stacey Rusher from the Conservancy has tentatively agreed to schedule a tour of the Conservancy portion of the old golf course property for this Saturday morning at 9:00. He will let everyone know the details after he receives final confirmation from Ms. Rusher.

Mr. Najeway made a motion that was seconded by Councilperson Schneider to cancel the August 12, 2025 Regular Council Meeting for a summer recess. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Rosales, yes; Mr. Najeway, yes. The motion was approved.

CALL TO ORDER: Mayor Schneider called the meeting to order at 6:30 p.m.

ROLL CALL:

Mayor Daniel Schneider, Jr.	Present	George Haramis	Present
Richard Slocum	Present	John Najeway	Present
Daniel Schneider	Present	Eliud Rosales	Absent
Douglas Steidl	Present		

OTHERS PRESENT: Solicitor Brad Bryan, OHM Advisors Representatives Tony Burgoyne and Josh Slaga

PURPOSE: The Mayor explained the purpose of the Special Meeting was to consider, adopt, and take action on matters related to the S.R. 303 & Sanitary Sewer Project funding applications and/or adopt Resolution No. 15-2025 and discuss, consider, and/or adopt a motion to authorize the Mayor to execute the agreement between the Village of Peninsula and Boston Township for Police Protection Services for the Years 2026, 2027, and 2028.

BUSINESS:

S.R. 303 & Sanitary Sewer Project Funding Applications and Actions; OHM

Tony Burgoyne described the details of and point system for the requested Ohio Public Works Commission (OPWC) (\$1.5 million) and Ohio Department of Transportation (ODOT) (\$2 million) grants for roadway, pedestrian, and safety improvements in the downtown business corridor. Mr. Burgoyne stated it is necessary for the Village to pass a Resolution authorizing OHM to file the OPWC grant on the Village's behalf in order for the application to be submitted by the September 12 deadline. The project scope includes roadway restoration and widening, two new signals and intersection improvements, sidewalk work, streetscape enhancements, and mid-block crossings. The estimated construction cost is \$2.4 million. The total amount, including soft costs, contingencies, and construction administration costs, is estimated at just under \$3.2 million. Mr. Burgoyne emphasized that if funding is secured, the Village will be required to retain and provide on-site construction administration services to protect the State's investment. Mr. Slocum asked if any money related to the Project had to be paid up front by the Village. Mr. Burgoyne stated no. He noted the legislation authorizes the Mayor to sign agreements related to the grants and provides permission to OHM to file the application on the Village's behalf and explained that the Village Fiscal Officer is required to certify the availability of funds for the non-OPWC portion contingency. He stated those funds do not need to currently be in the Village accounts but must be available if grants aren't secured. He stressed that while he feels positive about the chances of success for the grant applications, there is no guarantee. If the Village does not receive the grants, it is not required to proceed with the project. Mr. Burgoyne reported that he requested letters of support from local partners for the grant applications (the Conservancy, CVNP, Summit County, and Scenic Railroad) and clarified the Project is separate

**Record of Proceedings

Held: Monday, August 25, 2025**

from but complementary to the County's sewer project. Mr. Bryan noted that since the funding sources are from the State of Ohio rather than the federal government, the CVNP can provide a support letter. Mr. Najeway suggested getting a letter of support from the City of Akron from Emily Collins in the Mayor's office. Mr. Burgoyne also suggested that Village Council also provide a letter of support. Mr. Haramis questioned why that was necessary since it is a Village grant application. Mr. Burgoyne stated the support letter may result in the application receiving additional points and recommended that a letter be provided.

Resolution No. 15-2025

Sponsored by: Mayor Schneider

An Emergency Resolution Authorizing OHM Advisors and Jason Popiel, Senior Project Manager with OHM Advisors, to Prepare and Submit an Application to Participate in the Ohio Public Works Commission State Capital Improvement and/or Local Transportation Improvement Program(s) on Behalf of the Village of Peninsula and Authorize Village Mayor Daniel Schneider, Jr. to Execute Any Required Contracts Under the OPWC Programs (First Reading)

Mr. Haramis made a motion that was seconded by Mr. Najeway to suspend the three-reading rule. Roll call vote: Mr. Haramis, yes; Mr. Najeway, yes; Mr. Steidl, yes; Mr. Slocum, yes; Councilperson Schneider, yes. The motion was approved. Mr. Najeway made a motion that was seconded by Mr. Steidl to pass the Resolution. Roll call vote: Mr. Haramis, yes; Mr. Najeway, yes; Mr. Steidl, yes; Mr. Slocum, yes; Councilperson Schneider, yes. The legislation was adopted.

Motion to Authorize the Mayor to Execute the Agreement Between the Village of Peninsula and Boston Township for Police Protection Services for the Years 2026, 2027, and 2028

Councilperson Schneider made the above motion that was seconded by Mr. Slocum. Roll call vote: Mr. Haramis, yes; Mr. Najeway, yes; Mr. Steidl, yes; Mr. Slocum, yes; Councilperson Schneider, yes. The motion was approved.

ADJOURNMENT: Mr. Slocum made a motion that was seconded by Councilperson Schneider to adjourn the meeting. Roll call vote: Councilperson Schneider, yes; Mr. Slocum, yes; Mr. Haramis, yes; Mr. Steidl, yes; Mr. Najeway, yes. The motion was approved. The meeting was adjourned at 7:02 p.m.

Subject: Parking Lot(s) at North end of Locust St. (aka. Akron-Peninsula Rd.)

To: Account Mayor <mayor@villageofpeninsula-oh.gov>

CC: Maintenance Account <maintenance@villageofpeninsula-oh.gov>

Mayor Schnieder,

We have a preliminary rough order of magnitude estimate (ROM) for development of parking lot(s) at the site of the old service building and property North of this area. The two lots are both located on one parcel owned by Peninsula but are irregular in shape for the typical parking lot scenario. The south lot has been filled with various depths of asphalt "chunks" with weak soils below based on a single boring location - we plan to proof roll this area to verify that the asphalt "chunks" will serve as an adequate base material. This ROM will then provide two lifts totaling 4" asphalt as the lot surface. There will be a narrow connector section of asphalt between the existing roadway and the existing slope, this will lead to the proposed north parking lot whose size is again irregular and will require further evaluation of Boston Run Stream and erosion potential and impact from the new sewer plant. For the purpose of this ROM, we have allowed for 6" of topsoil removal, replaced with limestone base material overlaid with 4" of asphalt surface. The same soil conditions exist here and based on limited data automobile parking will work but no vehicles over 12,500 pounds GVW should enter this north lot unless proof rolling at time of construction proves differently.

The two lot concept is based on limited site excavation into slope to the east, approximately generating 40-50 parking spaces most at 45 degree angle in an effort to maximize available area, no additional drainage piping has been included, drainage is directed to catch basin at existing roadway, ditch line or stream.

The ROM for the concept presented is \$175,000.00 - \$200,000.00

Please review and we can discuss further regarding the pros (generate revenue, visitor convenience, etc.) & cons (enlarge & square up areas, damage during sewer plant construction from trucks pulling off side of road, etc.) of this plan. This discussion will provide direction on how to proceed.

Thank you,

Edward M. McCabe, P.E.

Re: Village of Peninsula S.R. 303 Improvements OPWC and ODOT Funding Applications

OPWC and ODOT:

The purpose of this letter is to express the Village of Peninsula Mayor and Council's full support for the Village's State Route 303 Improvements Project. The Project's primary aim is to improve pedestrian accessibility and safety within the Village of Peninsula. The Village serves as the Gateway to the Cuyahoga Valley National Park (the "CVNP" or "National Park"). CVNP is one of the most visited national parks in the Country, drawing over two million visitors annually. Nestled along State Route 303 (S.R. 303) in the heart of Summit County, Peninsula's direct access to trails, waterways, and the Cuyahoga Valley Scenic Railroad make it a natural hub for visitors exploring the Park. As a result, Peninsula plays a critical role in supporting regional tourism, fostering economic vitality, and shaping the overall visitor experience to the National Park.

S.R. 303 was commissioned circa 1932 after the construction of State Route 8 in the 1920s. Since the commissioning of Interstate 271 in 1962, accessibility to the park and downtown Peninsula has become compromised. Cut-through traffic congests the thoroughfare, especially during peak hours and high visitation times. High speed traffic during off peak hours threatens crossing pedestrians and cyclists at signalized intersections and key connection points to the National Park and Towpath Trail. The longest crosswalk on S.R. 303 exceeds 60 feet, and curb ramps do not meet PROWAG requirements. Span wire signals are significantly outdated and without push buttons or pedestrian signal heads. Aged, disjointed, and undersized sidewalks comprised of remnant sandstone still line the roadway and are not ADA compliant. Dedicated bike paths don't exist.

In collaboration with the Village of Peninsula, Summit County Metro Parks, the Conservancy for the Cuyahoga Valley National Park, National Park Service, and the Cuyahoga Valley Scenic Railroad, the Project consists of a series of improvements in downtown Peninsula along S.R. 303 between Riverview Rd. and Dell Rd. These improvements specifically include intersection modifications; signal, roadway, curb ramp, sidewalk, and crosswalk replacements; and the addition of a protected midblock crossing, dedicated turning lane, ADA compliant sidewalks, and multiuse paths. When these improvements are combined, it is anticipated that downtown Peninsula will be more accessible and safer for all forms of mobility, with pedestrian signals, wider and shorter crosswalks, and increased driver and pedestrian visibility.

A secondary, yet equally important, objective that serves as a large catalyst for the proposed pedestrian and safety improvements is Summit County's significant investment in a new sanitary sewer and water reclamation system to serve the Village. On January 29, 2024,

Summit County Executive Ilene Shapiro and County Council accepted the Village of Peninsula into the Summit County Metropolitan Sewer District. That acceptance followed nearly two decades of discussions between the County, Village, Summit County Public Health Department, Ohio Environmental Protection Agency, National Park Service, and residents. The County project, commencing in 2026, will replace failing household sewage treatment systems and reduce nutrient pollution to improve the water quality of the Cuyahoga River and environmental health of the region.

While each project is separate, the goal of properly coordinating the ability to implement and sequence the separate Projects is to reduce public spending, by timing both projects in succession, starting with the County's Project first. Proceeding in that manner would eliminate much of the restoration work related to the sewer project in the downtown area. This comprehensive approach will provide safer accessibility for Villagers and tourists to make better use of the County's investment in the region's Gateway to the Cuyahoga Valley National Park.

For the above reasons, we strongly support the Village's grant applications. We truly appreciate your consideration of these important requests that would provide a multitude of benefits for residents of the State and region.

Very Truly Yours,

521.14 FACIAL COVERINGS REQUIRED.

~~—(a) Definitions. "Facial Covering" means a covering of the nose, mouth and chin that is secured to the head with ties, straps, or loops over the ears or is simply wrapped around the lower face. A Facial Covering can be made of a variety of synthetic and natural fabrics, including cotton, silk, or linen. Ideally, a Facial Covering has two or more layers. A Facial Covering may be factory-made, sewn by hand, or improvised from household items such as scarfs, bandanas, t-shirts, sweatshirts or towels. These Facial Coverings are not intended for use by healthcare providers in the care of patients. A face shield that covers the nose, mouth, and chin also meets the Facial Covering requirements of this section.~~

~~—(b) Requirement For Facial Covering. Persons shall be required to wear facial coverings in indoor areas accessible to the public, including, but not limited to, the following circumstances:~~

~~—(1) All customers must wear Facial Coverings when they are inside a retail business establishment, unless an exception set forth in subsection (e) applies to the customer.~~

~~—(2) All customers in restaurants and bars must wear Facial Coverings when not seated at a table or a chair at a bar area, unless an exception set forth in subsection (e) applies to the customer.~~

~~—(3) All customers and employees must wear Facial Coverings in office spaces open to the public in areas that are open to the public, unless an exception set forth in subsection (e) applies and the owner or lessor permits the customer to remain in the space without a mask. Employees are not required to wear a mask when alone in an office or personal workspace.~~

~~—(c) Requirement for Facial Covering in Outdoor Areas. Persons shall be required to wear facial coverings when they are outdoors and are unable to consistently maintain a distance of six feet or more from individuals who are not members of their household.~~

~~—(d) Requirement for Facial Covering While Engaging in Door-to-Door or Solicitation Activities. Persons engaging in door-to-door or any type of solicitation activities are required to wear a facial covering at all times when interacting with other persons.~~

~~—(e) Exceptions. This section does not require Facial Coverings for, and a Facial Covering does not need to be worn by persons who:~~

~~—(1) Should not wear a Facial Covering due to any medical or behavioral condition or disability, including, but not limited to, any person who has trouble breathing, is incapacitated, suffers from severe autism, or is otherwise unable to put on or remove the facial covering without assistance;~~

~~—(2) Is actively eating or drinking;~~

~~—(3) Is strenuously exercising;~~

~~— (4) Is seeking to communicate with someone who is hearing-impaired in a way that requires the mouth to be visible;~~

~~— (5) Is giving a speech for a broadcast or to an audience;~~

~~— (6) Is temporarily removing his or her Facial Covering to secure government or medical services or for identification purposes;~~

~~— (7) Is a child under the age of ten years old or is a minor child who cannot safely wear a Facial Covering; or~~

~~— (8) Is engaged in employment or an activity for which facial coverings are prohibited by law or regulation or are inconsistent with industry standards.~~

~~— (f) Anyone who declines to wear a Facial Covering for any reason is not exempt from the requirement to practice adequate social distancing, which consists of keeping a minimum of six feet between them and any other person outside of their household.~~

~~— (g) Right to Refuse Service and Provision of Masks.~~

~~— (1) Businesses who observe a violation of this section have the right to refuse service based upon the violation.~~

~~— (2) Businesses are encouraged to make Facial Coverings available for customers upon request.~~

~~— (h) Penalty and Enforcement Process.~~

~~— (1) Violations of the within section constitute a minor misdemeanor and may be punishable with a fine of up to one hundred fifty dollars (\$150.00). Enforcement of this section shall occur through the following process:~~

~~— A. Initial warnings. Anyone observed violating this section by a law enforcement officer shall initially be issued a verbal warning.~~

~~— B. Persons Failing to Comply After Receiving Warnings. Persons that refuse to comply after receiving a verbal warning from a law enforcement officer may be issued a written warning or minor misdemeanor citation for violation of this section.~~

VILLAGE OF PENINSULA, OHIO

RESOLUTION NO.: 18-2025

INTRODUCED BY: _____

DATE PASSED: _____

AN EMERGENCY RESOLUTION AUTHORIZING THE VILLAGE OF BOSTON HEIGHTS TO PREPARE AND SUBMIT A JOINT APPLICATION ON BEHALF OF THE VILLAGE OF BOSTON HEIGHTS AND VILLAGE OF PENINSULA TO PARTICIPATE IN THE OHIO PUBLIC WORKS COMMISSION STATE CAPITAL IMPROVEMENT PROGRAM AND/OR PROVIDE SURVEY AND DESIGN TASKS FOR THE OPWC DISTRICT 8 APPLICATION PY 40 OPWC FOR AKRON-PENINSULA ROAD PAVING

WHEREAS, the Ohio Public Works Commission ("OPWC") State Capital Improvement Program and its Local Transportation Improvement Program both provide financial assistance to political subdivisions for capital improvements to public infrastructure; and

WHEREAS, the Village of Peninsula and Village of Boston Heights are planning to make capital improvements that include milling and resurfacing of the existing asphalt pavement, along with partial and full depth pavement repairs along Akron-Peninsula Road (the "Akron-Peninsula Road Paving Project"); and

WHEREAS, the infrastructure improvements described in this Resolution are a priority need for the Village of Peninsula and constitute a qualified project under the OPWC programs; and

WHEREAS, Council has determined that authorizing the Mayor and Engineer of the Village of Boston Heights to submit the aforementioned joint application on behalf of the Village of Peninsula and Village of Boston Heights is necessary and in the best interests of the Village of Peninsula.

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Peninsula, Summit County, Ohio, to wit:

SECTION 1. That the Village of Boston Heights Mayor and Engineer are hereby authorized to apply to the OPWC on behalf of the Village of Peninsula for funds for the capital improvements to Akron-Peninsula Road, referred to as the Akron-Peninsula Road Paving Project (a joint project between the Village of Peninsula and Village of Boston Heights).

SECTION 2. That Daniel Schneider, Jr., the Village of Peninsula Mayor, is authorized to enter and execute any necessary and appropriate agreements for obtaining financial assistance under the OPWC programs on behalf of the Village of Peninsula.

SECTION 3. That all formal actions of this Council concerning and relating to the

adoption of this Resolution were taken in an open meeting of this Council, and all deliberations of this Council or any of its committees that resulted in such formal action were taken in meetings open to the public and/or in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION 4. That this Resolution is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety, and welfare of the residents of the Village of Peninsula because this Resolution is necessary for the applications to be submitted and needs to be effective prior to any upcoming application filing deadlines. Therefore, this Resolution shall take immediate effect upon its passage.

IN WITNESS WHEREOF, we have hereunto set our hands this _____ day of _____, 2025.
